Help us reach this year's goal of \$250,000 for the Festival of India - one of the largest South Asian festivals in North America. It commences with a colourful chariot parade - "The Jagannath Ratha-Yatra" on Yonge Street showcasing bhakti-yoga, kirtan, drama and culture at Toronto's Centre Island, where a free vegetarian feast will be served close to 40,000 visitors. Your generous donations towards this cultural extravaganza honouring this ancient tradition would be greatly appreciated.
